

**THE  
HENDRIX  
FAMILY**  
TO ENGLAND

## MAY 2022

The last few months have been a whirlwind! In February we had the opportunity to take a six week survey trip to England. God used our time in country to solidify and deepen our burden and call to spread the Gospel in England.

We arrived back in Lubbock near the end of March, and hit the ground running. While still the full time youth minister at Bethany we have had opportunity to start deputation part time. God has blessed our travels with safety and six supporting churches! We are beginning full time deputation in August and will be taking the summer to fill our calendar in preparation for our travels.

Along with calendar work, this summer we are so thankful for the opportunity to spend the summer with the Bethany Baptist Church youth group! The last six years we have invested our lives into this group of teens and have ministered to them since day one in the ministry. We love this group of teens and are excited to see how God is going to work in their lives before we transition to full time deputation.

With these things in mind, please keep in your prayers: the summer events with our teens and the work God wants to do in their hearts, the transition to the new youth minister here at Bethany and for our deputation calendar to fill up with the meetings God wants us in.

If you are interested in having us present our burden for the people of England to your church family all of my contact info can be found below or you can use the contact link on our web page.

God Bless,
